Other Websites Used in Program

Discord: <https://discord.com/download>

- Discord is the main method of communication between students and GMs and Fenworks.
- Discord is also used for online coaching.

Fenworks Website: <https://www.fenworks.com/>

- Ensure the Fenworks website is accessible as it contains much of the important details and documents for participants and GMs.

Fenworks Platform: <https://app.fenworks.com/auth>

- The Fenworks Platform is where students will be able to see matches and submit scores.

Twitch: <https://www.twitch.tv/>

- A popular streaming site for esports.

YouTube (Optional): <https://www.youtube.com>

- Fenworks may upload helpful video tutorial guides and other videos for student and GM access.
